

To read your note in the Mirror,
and Donald's article in the Carbondale
News, so you see I am trying to do my
homework.

Gertrude is with John's family in
Holcomb, N.Y. while Dorothy is
having a vacation in Scotland with
her mother and brother. They will be
down here next week for our Bobby's
wedding, Sept 12.

Donald seemed to be the "Invisible
Man" in the picture ^{the reunion} for my eyesight is
failing faster than I care to acknowledge,
but the pictures are excellent. That was
indeed a glorious week, filled with the
best of everything.

Thanks to you both for your many
kindnesses.

Sincerely
Edith (Big Chief Carbondale)
